

## MN Libraries Publishing Project (MLPP)

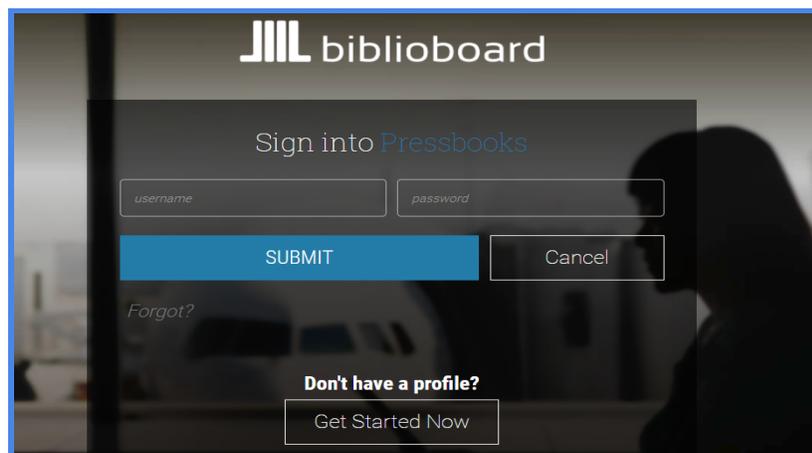

### Quick steps to get started with Pressbooks and create a book.

1. In order to create a book, you must first create a **Pressbooks** user profile.
2. Start at Minnesota Libraries Publishing Project site: <https://mlpp.pressbooks.pub/>
3. Click on **Connect via your local library** button:   
(You'll also find this link at the bottom of the [How to Create a Book](#) link.)

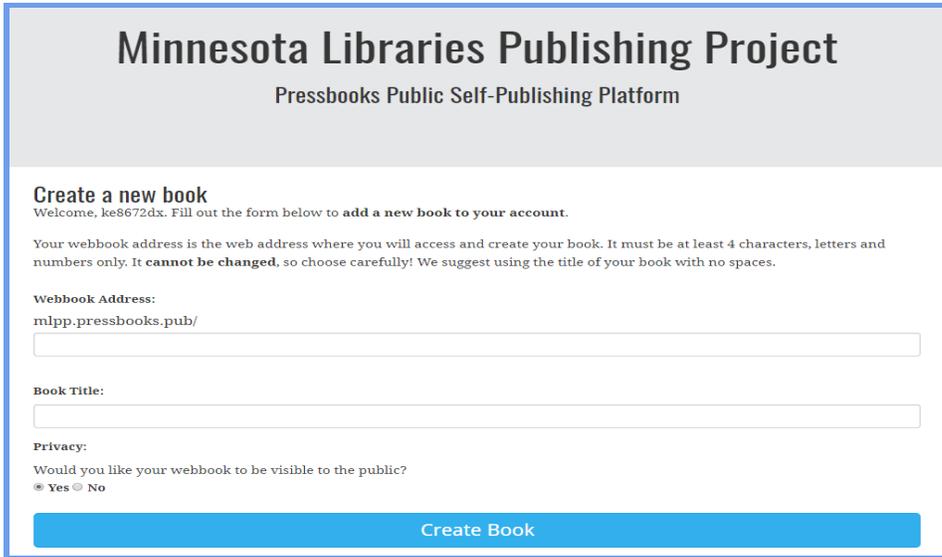

4. Create a **Pressbooks** account through this MLPP page, in order to gain access to the premium features.
5. Click on the **Get Started Now** button  to create a Pressbooks user profile. You'll see **\*biblioboard** listed at the top of the page as **Pressbooks** is hosted by **biblioboard**. After the initial profile creation and login you will be able to login to **Pressbooks** directly.

**Create a new book**  
Welcome, ke8672dx. Fill out the form below to **add a new book to your account**.

Your webbook address is the web address where you will access and create your book. It must be at least 4 characters, letters and numbers only. It **cannot be changed**, so choose carefully! We suggest using the title of your book with no spaces.

**Webbook Address:**  
mlpp.pressbooks.pub/

**Book Title:**

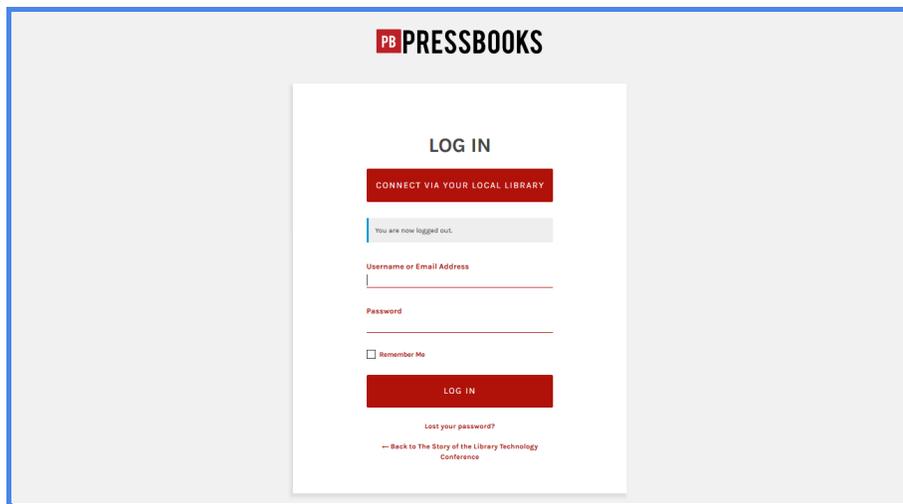

**Privacy:**  
Would you like your webbook to be visible to the public?  
 Yes  No
